

STANDARD	\$225	x 1 ORTHO IMAGE	x ORBIT VIDEO
ADD-ON #1	\$75	x 8 CARDINAL PHOTOS	x PDF REPORT
ADD-ON #2	\$275	x PROGRESS VIDEO	

STANDARD Package: First, we capture the aerial imagery required to create an Ortho Image of your project work site. Then, we fly an Orbit to capture real-time aerial footage of the site.

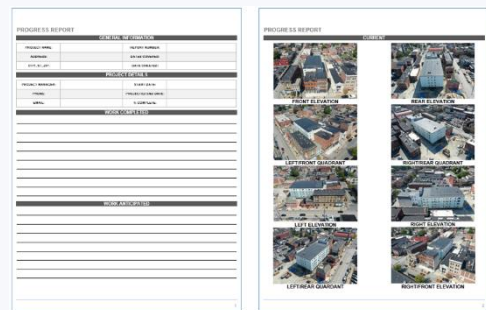

ORTHO IMAGE EXAMPLE

ADD-ON #1: In addition to the deliverables included as part of the STANDARD package, we capture (8) aerial photos from all cardinal (N, E, S, W) + intercardinal (NE, SE, SW, NW) directions based on the layout of your project site. We then create a templated Progress Report using the current imagery.

Free consultations are provided for any projects that are outside the scope of this sheet. Please feel free to contact us at the number below and we will gladly set-up a time to discuss your aerial drone needs. Prices are effective 10-01-2022 and are subject to change.

- STANDARD Package pricing is based on a minimum purchase of six (6) visits. Additional fees may apply for individual site visits.
- STANDARD Package assumes the size of the project site is less than 50 acres. For sites larger than 50 acres, additional fees may apply.
- No editing of data is provided for STANDARD Packages or for ADD-ON #1.
- Orthoimage flights are flown using the following standard settings: Altitude @ 300' | Front/Side Overlap @ 60% | Speed @ 15 MPH
- Orthoimages are not survey grade and are meant for progress assessments or marketing purposes only. For survey grade projects, contact us for pricing.
- All ADD-ON Packages require the purchase of a STANDARD Package.

All packages are subject to sales tax. All pricing includes travel within our designated service area. Additional fees may apply when outside our service area.
